

FOR IMMEDIATE RELEASE

ANGELS AMONG US FOUNDATION PRESENTS "18 FOR THE ELEPHANTS" AT PELICAN HILL  
***Inaugural Charity Golf Tournament to Prevent African Elephant Extinction***

(NEWPORT BEACH, CA - February 5, 2025) -- As African elephants face mounting threats to their survival, [Angels Among Us Foundation](#) (AAUF) and [Over and Above Africa](#) have partnered to present "18 For The Elephants." This inaugural charity golf tournament set against the stunning backdrop of the Pelican Hill Golf Club on April 10, 2025, exemplifies how Southern California's conservation leadership can strengthen vital grassroots programs protecting these endangered gentle giants throughout Africa.

"The systematic destruction of elephant populations represents not just a conservation crisis, but a profound moral challenge to our stewardship of Earth's most majestic creatures," reflects Oracle Maureen, AAUF's founder. "Each moment we delay action inches us closer to an unthinkable reality – a world without these gentle giants whose intelligence, social bonds, and ancient wisdom have captivated humanity for millennia."

The tournament supports Over and Above Africa's established approach to conservation, which centers on the intricate relationship between wildlife preservation and community empowerment, funding targeted interventions that yield measurable results in both ecological protection and social development.

"Conservation succeeds when local communities become its champions," explains Kerry David, founder of Over and Above Africa. "Our initiatives demonstrate that when villages gain an economic stake in wildlife preservation, we witness rapid, sustainable improvements in both human welfare and species survival rates. This tournament will help expand these vital efforts."

With the support of the event's media partner, California Golf + Travel Magazine, the daylong celebration of conservation begins with a 9:00 AM registration and networking reception, transitions to an 11:00 AM shotgun start, and culminates in a 4:30 PM awards reception.

Registered participants will be offered a special 25% discount on accommodations at the Pelican Hill Resort in addition to:

- Championship golf on Pelican Hill's acclaimed course
- Curated five-star culinary offerings throughout the day
- Strategic skills challenges with conservation-themed prizes
- Exclusive access to an online auction supporting direct anti-poaching initiatives

Registration and partnership opportunities are available at [AngelsAmongUsFoundation.org/Golf](https://AngelsAmongUsFoundation.org/Golf).

About Angels Among Us Foundation:

Angels Among Us Foundation, a 501(c)(3) charitable organization, stands at the intersection of human welfare and animal protection. The foundation identifies and supports transformative initiatives in developing nations, mainly focusing on communities where human hardship and animal exploitation intersect.

About Over & Above Africa:

Over & Above Africa, a 501(c)(3) organization, implements a proven model of wildlife conservation that bridges the gap between traditional preservation efforts of wildlife protection, monitoring, rewilding and rehabilitation, and community-based sustainability, clean water and ranger initiatives. Through identifying, funding, and supporting local conservation leaders and projects, the organization creates resilient and loyal partnerships that benefit Africa's vulnerable species. This multi-pronged approach enables them to foster economic development for adjacent communities, together with important educational, awareness and arts programming for local children. Their methodology emphasises collaboration over competition, uniting diverse stakeholders in the shared mission of wildlife protection and preservation.
