## MISSION

Angels Among Us Foundation is a non-profit 501(c)(3) charitable foundation dedicated to helping those suffering from extreme and heart-breaking hardships, such as poverty, starvation, and disheartening abuses. One of the charity's primary goals is to bring relief to those suffering in dire living conditions in third-world countries, with a special focus on abandoned and starving children. Angels Among Us hopes to bring awareness of this sad, atrocious reality to those here in the United States; and, to raise funds that can improve the well-being, health, and quality of life for those who have been devastated due to the ongoing wars and violence that threaten them on a regular basis in our underprivileged third-world communities.

## FROM OUR FOUNDER

Dear Friends:

2021 was marked by pandemic, environmental degradation, hunger, wars, and rumors of war. While technology continues to bring the world to our doorsteps, greed, indifference, and power struggles seek to keep us divided. In light of all this trouble, I'm often asked, "What can one person do to make a difference?" More than you know.

At Angels Among Us Foundation, we pray, listen, and discern the best ways to leverage the generosity of individuals to do a lot of good in a broken world. This annual report highlights what we accomplished together in 2021, and where our prayer, listening, and discernment points us in 2022.

Thank you for your generous support of our work together. Your Light makes a difference.

Namaste,

*Oracle Maureen*

# ETHIOPIA

ANGELS AMONG US | 04

War in Ethiopia rages between the Tigray People's Liberation Front (TPLF) and Ethiopian government forces. To date, more than 2 million Ethiopian civilians remain displaced from their homes in the Tigray region. Nearly 1/2 million Ethiopians face hunger because of the conflict; 10s of thousands have died.

The Angels Among Us Foundation (AAUF) continues to work with our partners at UNICEF to provide direct assistance to individuals and families impacted by war. Financial contributions address food insecurity and refugee support.

# DOMESTIC RELIEF

ANGELS AMONG US | 05

From hurricane relief in Louisiana & along the East Coast, to food assistance within California's struggling neighborhoods, AAUF recognizes that some of the most desperate stories and situations emerge close to home.

Working with agencies like the American Red Cross and the Los Angeles Mission that are "on the ground" where help is needed, Angels Among Us remains committed to the uplift of our neighbors in trouble.

# INTERNATIONAL RELIEF

ANGELS AMONG US | 06

The United States' withdrawal from Afghanistan continues to exacerbate the refugee crisis in a nation now under Taliban control. On the continent of Africa, hunger remains the vexing issue as millions of people face starvation in settings where intervention options are scarce.

While it is difficult for US citizens to imagine life under these types of hardships, we are well positioned to lend a hand in love. AAUF's work with UNICEF and the International Rescue Committee delivers timely support to those who need it most.

# BAN HUNTING & PROTECT ANIMALS

ANGELS AMONG US | 07

Angels Among Us Foundation remains deeply committed to the natural world and its beautiful creatures. Whether for sport, trophy, or entertainment, there is no reason to kill animals. Gifts contributed to AAUF on behalf of threatened animals, offset the work of the Humane Society of the United States, a trusted partner fighting to "end suffering for all animals."

# AHEAD: UKRAINE

ANGELS AMONG US | 08

Like our partners across the world, our eyes are fixed on Ukraine and the Balkan states in 2022. The Russian Federation's callous acts of war continue to devastate cities, neighborhoods, and families. While we pray for a cessation of violence, we coordinate with outreach agencies to deliver assistance to refugees, the homeless, and hungry victims of war.

Meanwhile, our legacy domestic and international projects remain strong. Your contributions to AAUF enhance our mission to help those "suffering from extreme and heart-breaking hardships, such as poverty, starvation, and disheartening abuses."
